BULL & FEMALE SALE

Conveniently located off of Hwy 278 (1644 Piedmont Hwy), west of Cedartown, GA.

WHITE HAWK RANCH

It is with great pride and enthusiasm we invite you to our 7th Annual Beefmaker Bull and Female Sale, February 17, 2017. It is our goal to supply our fellow cattlemen with superior Hereford bulls year in and year out- during good markets and not so good markets. We are here for the long haul. As you study our catalog, you will see the offering of bulls are in the top 25% of the Hereford breed for multiple traits. By using our bulls, you can improve your herd's bottom line because of their superior genetics, outstanding phenotype, developed for soundness and stayability in the breeding pasture plus the added bonus of heterosis.

A quote from a long time customer and friend, Josh Lutrell, says it best, "I lose \$200.00 every time an Angus bull sires a calf versus a calf sired by a White Hawk or Barnes Hereford bull under the same management." Lutrell runs approximately 600 mama cows in Olaton, Ky. That makes a big impact on the bottom line.

To enhance our customer service, we are going to work with our customers on the new American Hereford Association program called "The Hereford Advantage Program." This program is seeking to identify and promote high-quality groups of Hereford and Hereford influenced feeder cattle to a growing number of reputable buyers.

The sale offering will be available for viewing all day on Thursday, February 16, 2017. You are invited to our educational seminar beginning at 6:00 P.M. The topic of discussion will be "The Hereford Advantage Program" followed by our Southern Hospitality Social. All events take place at Barnes Sale Facility, 1644 Piedmont Hwy, Cedartown, Ga 30125.

We look forward to seeing you. If you need assistance, or information on the cattle offering, please don't hesitate to call.
